

HEALTH & SAFETY POLICY STATEMENT

We, at Greenserve, are committed to the prevention of injury and ill health in a way that ensures health and safety risks are minimised, and to meeting or exceeding all relevant health and safety legislations and other requirements to which we subscribe, included those of our customers. We will manage these risks through compliance of our Management System and will review and improve the contents within it, ensuring the company continues to effectively manage its risks.

Our Policy is to:

- Set, monitor and review health and safety objectives and targets
- Prevent accidents and cases of work-related ill health by managing the health and safety risks in the workplace
- Provide clear instructions and information, and adequate training, to ensure employees are competent to do their work
- Engage and consult with employees on day-to-day health and safety conditions
- Implement emergency procedures – evacuation in case of fire or other significant incidents
- Maintain safe and healthy working conditions
- Provide any information, instruction, training and supervision needed to ensure that all personnel, visitors and contractors are safe from injury and risks to their health
- Communicate our policy to all personnel, visitors and contractors to make them aware of their individual health and safety responsibility

Our Policy will be reviewed annually or in response to improvement to our Management System.
